WHAT MAKES UEA SO SPECIAL?

The University of East Anglia is a publicly funded major UK research and teaching university. It was built to embody a radical new vision for higher education, where interdisciplinarity is crucial and excellence in both research and teaching is valued. UEA consistently ranks within the top quarter of universities in the UK for the quality of research and teaching.

As a major regional employer and cultural centre, we take our regional civic responsibilities very seriously and have kept our sights on the people and place we call home. In fact, we launched our University Civic Charter in October 2023; created from in-depth community engagement, renewing our commitment to the region as part of our 60th anniversary.

There are many things which make UEA special, not least of which is the community of staff and students that work and study here. UEA includes three Nobel prize winners, including Sir Paul Nurse and Sir Michael Houghton, and many fellows of the Royal Society and British Academy amongst our alumni and current staff.

Our campus is home to Sir Denys Lasdun's iconic brutalist architecture set in hundreds of acres of beautiful country park that includes a large broad (lake). In the spirit of Lasdun's ambition to inspire an anatomy of ideas, today, UEA is tackling some of the key challenges of the changing world. UEA's research combines disciplines

and breaks new boundaries across its priority research themes of climate, creative and health.

UEA is the place where global warming was first documented. Since the 1970s, UEA's Climatic Research Unit, and more recently Tyndall Centre for Climate Change (Headquarters hosted at UEA), have played a pivotal role in developing temperature records and climate models, contributing to the understanding of climate change, and informing global policy. Our Professors Corinne Le Quere, Rachel Warren and Robert Nicholls were recipients of Nobel Peace Prize (2007), awarded to Al Gore and the Intergovernmental Panel for Climate Change (IPCC) in recognition of efforts to increase public knowledge of anthropogenic climate change. Environmental Science and Global Studies at UEA continue to be a major powerhouse for research and teaching.

UEA is widely regarded as a pioneer in creative writing, having established the UK's first Creative Writing Masters programme in 1970. This renowned programme has since attracted and produced numerous successful writers, including Booker Prize winners such as Ian McEwan and Anne Enright, and Nobel Prize Winner Kazuo Ishiguro. In recent years, UEA academics have played a pivotal role in the discovery and presentation of the Gloucester Royal shipwreck (Norfolk's Mary Rose). Our iconic Sainsbury Centre for Visual Arts is a major museum and arts research facility.

Health research at UEA not only embraces the Faculty of Medicine and Health but draws in research from both social and natural sciences. Research under this theme has made major contributions in the fields of healthy ageing, epidemiology and involving citizens (via our innovative Citizens' Academy) in improving health care outcomes. This theme benefits from close association with the other major research institutes on the Norwich Research Park; notably the Norfolk and Norwich University Hospital and the Quadram Institute. The Norwich Cancer Research Network, and Norfolk Institute for Healthy Ageing, are examples of key mechanisms for delivery of real impact from health research at UEA.

UEA has been a major success over the last 60 years and looks forward with confidence to the next 60 years.

For an informal discussion about the post please contact the practice manager Alison Herridge, Dental Manager, via A.Herridge@uea.ac.uk.

UEA is part of the Norwich Research Park

Norwich Research Park (NRP) membership locates UEA in one of the largest concentrations of research institutes in the whole of Europe – four independent internationally-renowned research institutes: John Innes Centre, Quadram Institute, Earlham Institute and The Sainsbury Laboratory; with the University of East Anglia and Norfolk and Norwich University Hospitals NHS Foundation Trust, supported and funded by The John Innes Foundation, The Gatsby Foundation, and UKRI Biotechnology and Biological Sciences Research Council.

The NRP provides an ideal environment for collaborative use of infrastructure and facilities, with a single portal for academics and businesses to access the specialist facilities across the Park.

The Enterprise Centre is a regional business, knowledge and innovation hub, with workspace provision and supports over 80 businesses working alongside UEA staff and students in a dynamic and vibrant entrepreneurial community. On the wider NRP, there are dedicated laboratory and office spaces in the Innovation Centre and Centrum hosting over 600 staff within a total of 115 businesses and spinouts.

OUR BENEFITS

UEA offers a fantastic benefits package for staff. We recognise all our staff have different priorities and lifestyles so we are continually reviewing our offering to ensure there are benefits which suit everyone. Current benefits include:

Competitive Rates of Pay

20 Days Holiday

14 Additional Statutory and Customary days

Contributory Pension

Staff Development

Sportspark Discount

Research Support

Health and Wellbeing

Library

Campus Facilities

Care Leave Policies

Sainsbury Centre for Visual Arts

Ofsted Outstanding Nursery

And much more!

Further information can be found on our [Staff Benefits page](#).

THE ROLE

In their nursing role, the dental nurse/receptionists are responsible for setting up the surgeries, preparing equipment, undertaking general dental nursing duties and for maintaining cross infection control procedures.

On reception, they provide the first point of contact for patients.

As well as dealing promptly and effectively with enquiries and booking appointments, they are responsible for providing advice on the range of treatments available; on exemptions and charges for treatment; maintaining accurate patient and treatment records using manual and computerised clinical records systems and for incoming and outgoing mail.

KEY RESPONSIBILITIES

DENTAL NURSING

- Set up the surgery each morning and maintain appropriate levels of hygiene throughout the day.
- Prepare and lay out appropriate instrumentation, equipment and supplies, maintaining the required levels of sterilisation.
- Undertake general dental nursing duties including assisting in surgical procedures; mix filling materials; mix materials and assist in taking impressions; assist in taking, developing, fixing, labelling and filing patients' radiographs.
- Measure and change solutions for radiographs and ultrasonic equipment, maintain written records of sterilisation procedures, clinical solutions and medicines used in the surgery; ensure safe disposal of such solutions.

- Safe storage of mercury-based and other hazardous surgical supplies; safe disposal of clinical waste.
- Use best practice to maintain effective cross infection control.
- Maintain accurate charting and dental records using both paper and computer-based systems.
- Clear up the surgery at the end of the day, cleaning and sterilising the dental unit, equipment, instruments and surgery fitments.
- Any other appropriate nursing duties as required by the dentists.

RECEPTION

- With other members of the dental team, create a welcoming and reassuring environment for patients and visitors.
- Deal with answer phone messages, distribute incoming mail and deal with outgoing mail.
- Handle enquiries about the services provided including entitlement to NHS treatment, in a sensitive manner in a public area from callers who may be in pain, angry and in some cases, unable to explain themselves clearly in English.
- Offer basic advice on the range of dental treatments available, up-dating medical histories as necessary.
- Exercise judgment in determining the urgency of treatment, referring as necessary to colleagues.
- Schedule appointments in accordance with agreed arrangements to ensure efficient use of dentists' time.
- Ensure cancellations are noted and the resulting appointment slots filled wherever possible.
- Maintain computerised clinical record of treatments to ensure accurate patient information.

THE ROLE (CONTINUED)

KEY RESPONSIBILITIES

RECEPTION (CONTINUED)

- Return electronic data to the Dental Practice Board to trigger the payment of income to the practice under the terms of its contract with the NHS; reconcile records of income received.
- Accept cash, cheque, debit card and credit card payments from patients and maintain appropriate records.
- File and photocopy as required.
- Maintain stocks of dental literature, stationary and office supplies.
- Identify peaks and troughs or changes in the pattern of demand to inform service development.
- Ensure that the reception area and waiting room are clean and tidy at all times.

THE PERSON

EDUCATION, EXPERIENCE AND ACHIEVEMENTS

- A Recognised dental nurse qualification (or complete it within 3 months of starting in role). (Normally National Certificate for Dental Nurses issued by the NEBDN or NVQ Oral Health Care Dental Nursing Level 3) (E)
- GDC registered with indemnity (E)
- Good general education including English & Maths GCSE (or equivalent qualifications) at grade C or above (E)
- Dental or similar reception work or work in a busy office environment (E)
- Competent and confident use of specialist dental software (E)

SKILLS AND KNOWLEDGE

- Thorough knowledge of the principles & practice of cross infection control (E)
- Excellent interpersonal and communication skills, including the ability to demonstrate sympathy with the needs and concerns of patients from a wide range of backgrounds and to reassure patients who are nervous or in pain (E)
- Good all round IT skills (Microsoft Office and e-mail) & preferably a Dental Software package such as Practice work R4 or Arthur (E)
- Able to work accurately to tight deadlines in busy nursing and reception roles with minimum supervision (E)

PERSONAL ATTRIBUTES

- Willingness to work collaboratively and flexibly to achieve shared goals (E)
- Willingness to develop own skills and knowledge appropriate to the role and to take advantage of training and development opportunities offered (E)
- High degree of personal responsibility, judgment & initiative (E)

SPECIAL CIRCUMSTANCES

- This post is exempt from the Rehabilitation of Offenders Act 1974 and appointment will be subject to a criminal record check at Enhanced level from the Disclosure and Barring Service (E)

Essential Requirements (E) are those, without which, a candidate would not be able to do the job.

Desirable Requirements (D) are those which would be useful for the post holder to possess and will be considered when more than one applicant meets the essential requirements.

FURTHER INFORMATION

The post is available from 16 June 2025 on a full-time basis for a fixed term period of up to 36 weeks.

This temporary post is available to cover for the absence of the postholder on maternity leave. The appointment will be terminated (with four weeks' notice) at the end of the week immediately preceding the return of the postholder from maternity leave.

Salary will be £24,375 to £26,265 per annum on Grade 4 on the Dental salary spine.

Place of Work - You will be based at the UEA Dental Practice within UEA Medical Centre.

If successful you will be asked to show evidence of right to work in the UK prior to any formal offer being made. Non-British and non-Irish nationals entering the UK to undertake employment or who are currently in the UK will have to meet eligibility criteria under the points-based immigration system. The University may be able to provide sponsorship under the Skilled Worker route if relevant criteria are met. Please note, due to the complexities of the immigration system, Skilled Worker visa sponsorship is not guaranteed for every role. If you would like further information about whether this role is eligible for visa sponsorship, please contact staff.visacompliance@uea.ac.uk

The post is superannuable under the Group Personal Pension and there is an annual holiday entitlement of 20 days plus statutory (8 days) and customary (6 days) holidays, pro rata for part-time.

The University is committed to creating an environment where the health, welfare and safety of all students and staff is of paramount importance. The University's Safeguarding Policy addresses both child protection and safeguarding children, young people and vulnerable adults within the work of the University.

Appointment will be subject to satisfactory pre-employment checks, which may include an Occupational Health assessment and a criminal record check at Enhanced level from the Disclosure and Barring Service (which you will be required to pay for). For roles based within an Educational setting, Enhanced checks will be carried out every 3 years at the cost of the University.

Information on the benefits of working at UEA can be found at <https://www.uea.ac.uk/about/working-at-uea>.

If you require the information contained within this candidate brochure in a different format please email staff.recruitment@uea.ac.uk

HOW TO APPLY

To apply for this vacancy, please follow the online instructions at: <https://vacancies.uea.ac.uk>

The closing date for this role is 11:59pm on **14 April 2025**.

It is anticipated that interviews will take place on **13 May 2025** and we will inform you of the outcome of your application prior to this date.

Candidates should note that travel and incidental expenses incurred in attending an in-person interview will not be reimbursed.

ABOUT UEA DENTAL SERVICE

The University is committed to the welfare of its staff and students.

The Dental Practice is part of a wide-ranging network of support services provided principally for students but also used extensively by other members of the University.

The Practice is located in a modern, purpose-built Health and Community Centre on campus which also houses the University Medical Service, a pharmacy, launderette and the University Nursery.

Further detailed information about the Dental Practice is available at

<https://www.uea.ac.uk/uea-life/campus-life/campus-facilities/healthcare>

ABOUT STUDENT SUPPORT SERVICE

The Dental Practice is one of a range of services provided by the University whose aim is to enable all students to gain the maximum benefit from their University experience.

These services are the responsibility of the Director of Student Services, whose office acts as a focal point for information, advice and guidance affecting the well-being of students at UEA and whose staff offer a wide range of general and specialist services.

The Director of Student Services also steers the work of the Multifaith Centre and the University Accommodation Office and works closely with the Careers Service, the Sportspark and the University Medical Service.

Further information about other student services is available at:

<https://www.uea.ac.uk/uea-life/student-support>

OUR VALUES

Shaped by staff, our UEA values represent a core set of standards for how we behave as an employer, drive excellence in teaching, learning and research, and collaborate as an anchor institution in our local community.

From tackling global challenges, striving for student and staff success, and creating a vibrant inclusive environment, our values are what unite us.

- ✦ AMBITION
- ✦ COLLABORATION
- ✦ EMPOWERMENT
- ✦ RESPECT

OUR VALUES (CONTINUED)

AMBITION

We are ambitious for our future success.

We are forward-thinking and brave in our approach and decisions. We make space for innovation and creativity, seizing opportunities that are responsible and sustainable. We are ambitious for the advancement of education and research.

COLLABORATION

We are collaborative in our approach.

We work together with shared purpose. We build connections, share ideas and develop new networks. We champion our regional, national and global relationships and demonstrate that together we can achieve greater goals and positively influence the world around us.

EMPOWERMENT

We empower ourselves and each other.

We develop ourselves and others, trusting people to make decisions based on their expertise and knowledge. We continually improve systems and processes to support us in working in an agile and efficient way.

RESPECT

We respect each other.

We treat everyone with respect and dignity. We value diversity and foster a community where people can express different thoughts and views. We are open to challenge, so we can learn and improve. We encourage a positive, inclusive environment where everyone has opportunities to fulfil their potential.

ACCOLADES

- Queen's Anniversary Prizes for Higher and Further Education have been awarded to UEA for international development studies (2009), creative writing (2011) and environmental sciences (2017). Notable alumni include Sir Paul Nurse (1973, Nobel Prize for Medicine 2001), Kazuo Ishiguro (1980, Nobel Prize for Literature 2017), Michael Houghton (1972, Nobel Prize for Medicine 2020) and Sarah Gilbert (1983) who led the Oxford University team to develop a COVID-19 vaccine, approved in 2020.
- Our Doctoral College, established in 2018, hosts six Doctoral Training Partnerships and integrates Faculty and School provision for 1600 Postgraduate Research Students (including those from across the Norwich Research Park), enabling collaboration and innovation.
- We recognise our global impact and were one of the first universities to declare a climate and biodiversity emergency in June 2019. Our sustainable campus, including over 50 acres of environmentally valuable parkland, is constantly evolving with ambitions to be 100% net zero by 2045 or sooner.
- UEA is a University of Sanctuary, an accreditation given to universities that show an ongoing commitment to creating a welcoming culture of inclusivity and awareness.
- UEA was awarded the Silver Athena SWAN Award in 2019, and all our Schools hold awards at Bronze or Silver.

A vibrant place to study, learn and work, UEA is a very special place.

A SUSTAINABLE UNIVERSITY

At UEA, we are now working to create a university that will be even better in the future, and we are working to achieve net zero carbon by 2045 (or earlier). Our Sustainable Ways vision is one of a resilient university – where consumption is efficient and self-generated energy supports low carbon goals, supported by a vibrant community of world-leading researchers and inspired graduates.

At a basic level, our sustainable development means that we try to balance the ‘three pillars’ of environmental, economic and social elements.

We challenge our environmental impact through on-site energy generation and a district heating and cooling network, reducing our reliance on grid electricity and therefore fossil fuels. We promote and use recycled and ‘eco’ products such as biological cleaning materials. We champion local suppliers and ethical causes, including Fairtrade and vegan products. We seek to ensure value for money in a holistic, whole-life costing sense in our new buildings and procurement contracts.

OUR INITIATIVES

Central campaigns, such as holiday shut-downs or awareness day events, support a whole-University approach to energy saving and other initiatives.

Follow us on Twitter [@SustainableUEA](https://twitter.com/SustainableUEA)

OUR CAMPUS

UEA is based on a campus that provides top quality academic, social and cultural facilities to over 17,000 students.

Although located in 320 acres of rolling parkland, virtually no part of the campus is more than a few minutes' walk from anywhere else, so everything is close at hand – the library, nursery, health centre, supermarket (incorporating a post office), banking facilities and restaurants. Amongst the striking buildings is the UEA's Sainsbury Centre for Visual Arts, which contains the Robert and Lisa Sainsbury Collection – one of the greatest art collections formed in Europe during the 20th Century.

The University has invested in new learning and teaching and research spaces, including a celebrated new Enterprise Centre that underpins its commitment to promoting student enterprise and entrepreneurship.

Sport and Recreation plays a major part in the life of the University of East Anglia, centred around the major Sportspark facility which is one of the most successful community sport facilities in the UK. This accessible and affordable facility provides a diverse range of activities, and incorporates a 50m Olympic size swimming pool, indoor climbing wall, coaching resource centre and sports injury clinic.

NORWICH

A CITY OF STORIES

The city's motto is 'A fine city' and its strong cultural heritage has seen Norwich maintain the best of its historical character whilst developing to become one of the most vibrant and attractive cities in Europe. Norwich offers miles of riverside walks and cycle ways, and a unique collection of 1930's parks. The city is surrounded by beautiful countryside and within easy reach of the stunning Norfolk coast.

Norwich is a UNESCO World city of Literature, the first in the UK, as well as being one of the newly named Tech Cities recognising the growth of digital businesses in the region. The most prominent high-rise building, apart from the castle, is the magnificent 11th century cathedral, which still dominates the skyline. The city's medieval centre of cobbled streets remains largely intact, but there is still space for modern buildings such as the city's centrepiece, the Forum, which is a striking piece of contemporary architecture. The glass front overlooks the colourful open-air market (one of the largest in the country) and reflects the city in all its diversity.

The city is consistently rated as one of the top ten shopping venues in the UK. Norfolk and Suffolk attract thousands of visitors each summer. The famous Norfolk Broads are among the most important wetlands in Europe and a haven for rare plants, wildlife and insects. The Broads attract holidaymakers who come to navigate the intricate natural network of waterways formed by the Rivers Bure, Yare and Waveney and their tributaries.

For further information about UEA's excellent facilities, staff benefits, picturesque campus and the UEA working environment, please visit the 'Careers at UEA' microsite <https://www.uea.ac.uk/about/working-at-uea>. Additional information about living and working in the city of Norwich can be found at <https://www.workinnorwich.co.uk/>

If there is another city in the United Kingdom with a school of painters named after it, a matchless modern art gallery, a university with a reputation for literary excellence which can boast Booker Prize-winning alumni, one of the grandest Romanesque cathedrals in the world, an extraordinary new state-of-the-art public library then I have yet to hear of it. Norwich is a fine city. None finer.

STEPHEN FRY

LOCATION

Some cities you've heard of, others you have to discover. Norwich is one of the most beautiful, modern historic cities in Britain. It's a city that celebrates the independent, stimulates creativity, promotes change and encourages diversity.

UEA is a campus university located 3 miles from the centre of Norwich. Situated in the heart of Norfolk, which means it's an ideal location to explore Norwich and beyond.
